ON THE THRESHOLD

Our cover this week and the photos on page 2 are in direct contrast to the wild storm of last week and, hopefully, this is the trend that will be featured through the months of the coming season. Just like a curtain, Labor Day is the close of Summer. Now comes the crystal air of autumn and the mirror like harbor water that reflects the colors of Fall.

Underground Fuel Tank Denied

MATTAPOISETT SELECTMEN'S MEETING
AUGUST 30, 1988-by VIRGINIA MORGAN

Following a public hearing in the Town Hall Conference Room on the application of Robert and Mary Ringuette, 21-23 Dupont Drive to install a 6,000 gallon underground fuel tank on the premises of their marina, Selectmen voted unanimously to deny the license.

Selectmen Chairman William F. Hubbard, Selectmen John N. DeCosta and Bernard F. Talty agreed the possibility of leakage and being too close to the shellfish beds were the reasons for denying the application which had previously gone to the Zoning Board of Appeals. The Appeals Board granted the Ringuettes a Special Permit in 1986 to install the tank. Selectmen expressed concern with the proposal and asked for a public hearing for a license.

Selectmen did express being in favor of a tank truck operation similar to one that is conducted on the town wharf, and will recommend the Ringuettes use this method of fueling the boats.

The hearing drew about 38 interested residents and Building Inspector Andrew J. Bobola, Fire Chief Donald C. Wood and Harbormaster Steve Mach. Two letters were read by Selectman Talty - one in favor, the second opposed. Mark E. Whalen, 5 Birchwood Street went on record as being in favor of a gas pumping facility at Ringuette's Marina, saying, "I think it would be environmentally safer than the present practice of filling tanks aboard with hand-carried gas containers." Edward S. Dwyer, 165 Brandt Island Road, feels the cove cannot support additional boat traffic taking on fuel. Also, he was concerned with spillage in a flood zone area.

The thoughts expressed in the two letters were emphasized over and over again by those in opposition. Several abutters expressed concern for their surface wells which were 150-200 feet from the proposed tank. Mrs. Dianne Perry, Brandt Beach expressed concern about the precedent to allow the tank; Robert Frank, who lives

on Brandt Island, cited Ringuette's history of non-compliance with other Zoning regulations and felt the petitioners should obtain an environmental impact study.

Mr. Dick Kruger, 169 Brandt Island Road asked what recourse he would have if the tank leaked and ruined his water supply. Inspector Bobola said, if installed, there would be restrictions applied and safeguards installed, plus Mr. Ringuette would have to provide liability insurance. Chief Wood said anyone responsible for a spill is also responsible for the cleanup.

A question concerning monitoring of fuel and vapor emissions, and construction of the facility, was answered by Raymond E. Wilbur, president of Taraco, Inc., fuel tank specialists of Cranston, Rhode Island, who would install the tank. He said there would be a continuous electric monitoring system checked daily. He said the double-walled steel and glass tank would have concrete on top and 30,000 pounds of concrete underneath protecting against flooding.

Of those speaking for Mr. Ringuette, all stated that he was operating the marina carefully and that an underground fuel tank would be much more preferred to hauling five-gallon cans to each boat, which could possibly cause a spill. Mr. Wilbur also noted that the marina has approval by the Town Conservation Commission and Board of Health and has been inspected by the state fire marshall's office, which found no problem in the site proposed.

Harbormaster Steve Mach explained the choices are either bringing the fuel to boats or dispensing from a tank. He recommended a tank truck or tank and

pump, similar to the one operated at the town wharf. He said this can be removed if a storm is coming or if a leak is observed. For those who bring fuel themselves, "we have no control".

He also suggested oil booms be placed on the property to be immediately available in the event of a spill. He added that Mr. Ringuette has agreed to this suggestion. Attorney James Hesketh, Brandt Island Road, who presented several comments in opposition, noted there is a fourth option - boats can go elsewhere to fill tanks.

In other business, Selectmen:

MET WITH Mr. and Mrs. Bradford A. Hathaway, Aucoot Road who expressed concern with the closing of Aucoot Cove to shellfishing this summer by the State Division of Marine Fisheries because of contamination. "To our knowledge," said the Hathaways, "this is the first time in history Aucoot Cove has been closed to shellfishing. We feel the problem is the large number of geese nesting in the cove, and we are seeking your support to our asking the state Division of Fisheries and Wildlife to do something about managing this particular problem other than extending the hunting season."

In the letter the Hathaways are sending to the state, they note "We have been led to believe by Marion town officials that the probable cause of the problem is a growing population of Canada geese in the cove during the breeding season and in the weeks that follow until the young are able to fly. As many as 80 geese have been counted when the high fecal coliform count is recorded, and the count drops significantly when the geese disappear."

The Hathaways requested the state take some positive action before next spring

so "we will not be faced with another summer without being able to shellfish in this prime shellfishing area".

Present at the meeting was Greg Sawyer, representing the state Division of Marine Fisheries, who explained the problem could be from leaking septic systems or other wildlife. "We take samples in an area where we assume the worst conditions exist. I personally doubt if removing the geese would solve the problem, but anytime you take away a waterfowl there will be an improvement."

Selectmen agreed to ask the state officially what could be done to remedy the situation and to support the Hathaways' letter.

UNANIMOUSLY VOTED jointly with Water/Sewer Commissioners' Chairman Clifford D. Tripp and member Donald C. Wood to appoint Charles A. Morgan as Water/Sewer Commissioner to fill the vacancy caused by the resignation of Ralph E. Wordell.

Mr. Morgan is the former Water Superintendent and served as Water Commissioner until 1987.

Chairman Hubbard said, "Mr. Morgan has a lot of experience and, at this time, we need someone with experience." His comments were supported by Selectmen DeCosta and Talty and the Water Commissioners.

The appointment will expire in April 1989 at which time the elected position will be on the ballot for two years, to complete the three-year term (1988-1991). A thank you letter will be sent to Mr. Edmund Gordon, who also submitted an application for the post.

of Public Works that the bridge on Acushnet Road over the Mattapoisett River does not have to be posted on weight limits as it will carry statutory loads.

NOTED the Town Board of Health has a fiscal 1989 budget that provides $107,500 for some of the work discussed at a joint meeting with state DEQE and Tighe and Bond Engineers.

Chairman Hubbard added that the Board of Health has applied to DEQE for permission to use fly ash from ComElectric to cover the landfill.

RECEIVED A REPORT from the Housing Partnership Committee stating the committee has inventoried the town lands to ascertain if any land is buildable for affordable housing and determined very little is usable. They are either Trust lands dedicated to open space or wetlands. The committee has solicited landowners seeking land for affordable housing. Among some of the forestry land is almost 700 acres owned by Richard Hawes, Trustee for Acushnet Saw Mills. Smaller parcels of agricultural and horticultural land are owned by Howard C. Tinkham, Edward M. Parks and the Mattapoisett Cranberry Company; also, recreational land owned by Manuel R. Nunes and the Reservation Golf Club. All are listed under Chapter 61, 61A and 61B tax assessments.

Donald J. Fleming to determine the legality of selling loam from the construction site of the new police station.

Chairman Hubbard, who also serves voluntarily as Clerk of the Works for the project, informed the board there is a monstrous pile of excellent, rich loam at the site. It has to be moved, he stressed. "I want to do everything on the up and up. We need to know if a permit is needed from the Soil Removal Board and if we have to go out to bid to sell the loam." He noted there are places in town where the loam could be used, such as Veterans' Park.

RECEIVED A LETTER from Mr. and Mrs. Jerome Fanucci, 5 Bayview Avenue regarding the fees at Ned's Point for windsurfers. "We feel town residents deserve some privileges regarding use of town properties." The Chairman noted the board will take another look at the situation next year, but will leave for now the present rules and regulations.

available for the January 1988 funding cycle. The Council is also accepting applications for the Performing Arts Student Series (PASS) program, which provides funding to public school students to attend performing arts events.

The Arts Lottery has proven to be an effective avenue for supporting and encouraging the arts in each community in our state. The Mattapoisett Arts Lottery Council hopes to continue to fund the talented and committed artists of the community, and to help organizations sponsor cultural activities which benefit the town's residents.

Funding by the Massachusetts Arts Lottery for grants submitted by our local Council from the July allotment cycle has been received by the New Bedford Symphony Orchestra and the Tri-County Music Association to provide free tickets to Mattapoisett Seniors (tickets will be distributed through the Office of the Council on Aging), also funded was the Greater New Bedford Association of Musicians, which will provide holiday entertainment at Village Court and the Mattapoisett Nursing Home during the month of December. PASS grants were awarded to Center School students to attend 3 performances for the young audiences during the school year 1988-1989.

Applications for grants may be picked up in the Selectmen's Office at the Town Hall.

Marion Selectmen's Meeting

AUGUST 30, 1988-by EUNICE MANDUCA
A Community Service of the League of Women Voters.

In anticipation of the opening of the Children's Depot on Front Street, Police Chief Brian Scott brought his concerns to the Selectmen. The building is located at a turn in the road opposite the Short Wave Restaurant and there is limited visibility for vehicles coming from either direction. Chief Scott will alert the State Highway Department and request that the shrubbery on both sides of the street be cut back. There was also discussion about the potential danger of vehicles coming and going in an erratic fashion from the Short Wave. There is no traffic pattern and vehicles are free to pass in and out anywhere within approximately 200 feet of curb free access to the restaurant parking lot. When The Depot is in operation there will be up to 60 children attending with the accompanying number of parents picking up and dropping off. Chief Scott will report back to the Selectmen on progress made.

Selectmen Chairman Ted Pratt reported on a meeting with representatives of the Post Office Department concerning efforts to keep the Post Office in the Village area. The Post Office officials have agreed to postpone their decision to November 10, 1988, but the Village Post Office Committee has a great deal of work to do before then. Because the V.F.W. was ap-

pointed overseer of the Music Hall by the Courts in 1946, it would take a court case to change that situation and, although the plans developed by William Saltonstall to develop the Music Hall as the new Post Office are very impressive, there is now movement to consider the use of other town-owned property for this purpose. Floor plans and plot plans have been forwarded to the Village Post Office Committee by the Taber Hall Committee for consideration as an alternate site for a village Post Office. Although the Taber Hall location is perfect for a congregate elderly housing arrangement, consideration must be given for the greatest good for the greatest number when dealing with town-owned property. The Village Post Office Committee will report back to the Selectmen on September 6th. Any proposal will have to have Town Meeting approval.

The hearing for the proposed changes in the Board of Health Sanitary Code was moved to the large Conference Room to accommodate the number of residents who attended. After the legality of the hearing had been established many questions were raised. Board of Health Chairman Loretta Schaefer stated that the proposed changes were offered for discussion to the public and many revisions would probably be considered. The sixteen pages of regulations had been adopted from several other towns where such regulations had been used with good results. Those attending were given a set of the proposed regulations and a read-through followed by Chairman Schaefer. Efforts were made to invite comments

on each individual item. Mrs. Schaefer announced that there is no firm time frame for voting on the revised regulations and there will be several meetings of this kind before conclusions are arrived at. At a previous meeting a misunderstanding in the matter of inspecting septic systems before transfer of property resulted in a very heated exchange but, with the proper facts, concerns were acceptable. The public was encouraged to make note of their concerns and return to subsequent meetings. The next meeting is scheduled for September 13, 1988.

Selectman John Hoagland questioned whether Mrs. Bailey had received an answer to her concerns about the quality of the water at her home. He also offered a letter re: Taber Hall for approval by the Selectmen; also a letter re: the Planning Board and the Hill, Oak and Green streets subdivision.

Chairman Ted Pratt read the Proclamation declaring the week of September 17-23 as Constitution Week.

Mr. Russell DeBarros was informed that Barnes Tree Service would be clearing the roadway along recently established property lines on Hill, Oak and Green Streets.

Chairman Ted Pratt requested that the

Sippican Woman's Club

SPONSOR BICYCLIST

The Sippican Woman's Club of Marion sponsored Sandy Turnbull in the Pan Massachusetts Challenge August 13 and 14 (a 194 mile bicycle ride to benefit the Jimmy Fund).

840 riders pedaled from Sturbridge to Provincetown raising more than $800,000 of which 1,023.50 Sandy is reponsible for.

All the riders and volunteers in this event really worked hard. Participants ranged in age from mid-teens to early seventies. All felt the money being raised was for a good cause and all hope that some day the cure for cancer will be found.

eye talk

Q. My dad has been diagnosed as as having macular degeneration, What causes it? How will it affect his vision?

A. Macular degeneration may be caused by injury, inflammation or vascular disease. Aging may also be a factor.

It may destroy color and central vision in the affected eye, making tasks like reading and sewing difficult if not impossible. It is the second leading cause of blindness in the United States, although it does not cause total blindness. Side vision remains.

Vision destroyed by macular degeneration cannot be restored but optometrists can prescribe special low vision aids to help people like your dad maximize their remaining vision. For successful use, it requires acceptance of the strange looking aids and a willingness to learn a new way of reading and seeing up close. Many people have done it.

Your dad should have a thorough low vision examination by an optometrist skilled in this field to learn what can be done to help him.

Council on Aging Trips

On Friday, October 7th, the Fall Foliage coach trip will be going to Shaker Village in Canterbury, New Hampshire. Because the summer kitchen will still be open, we will be able to take this trip for $17.00 -- $12.00 for the bus and $5.00 for admission including tour of the village. At the summer kitchen sandwiches, soup, salads, desserts, coffee and soft drinks can be purchased, or you may bring your own lunch. The deadline to make reservations for this trip is September 15th.

The trip to the Catskills is already filled.

The Hawaiian Islands trip is still open. The flight leaves on November 2nd and one day and two nights will be spent in San Francisco before flying to Hawaii. Four islands will be visited. Brochures are available at the Council on Aging office. The cost of this trip is $1,899, including 14 meals, all admissions and sightseeing.

Our New Year's trip this year will be celebrated at the Sheraton Society Hill in Philadelphia, right on the route of the famous Mummers Parade. The first night dinner will be at Lilly Kabgtree Supper Club. The morning of the second day a visit will be made to Atlantic City's boardwalk and casinos, and that evening the New Year will be celebrated at a party at the Sheraton. Dinner will be prime rib, and will be followed by a party featuring dancing, hats, noisemakers, etc. After breakfast on the third day a tour of Philadelphia will be made and a visit to Independence Hall before taking seats for the Mummers Parade. Reservations should be made before September 10th. Brochures are available at the Council on Aging office.

The above trips are open to everyone, all ages.

Rochester Senior Baseball

WINS CHAMPIONSHIP

The Rochester Senior Baseball Team completed the 1988 baseball season with a 16-1 record including a winning streak of 15 games.

This year's team was led by team MVP Andy MacGregor (the Terminator), batting leader Scott Hartley, and the fielding agility of Robert Cruise, Jr. Andy led the League in pitching with 6 wins, 7 saves and 0 losses. He also struck out 40 players in 20 innings of pitching, and batted .444. Scott led the team with a .630 batting average, including 12 doubles, 5 triples, a home run, and add to that 40 RBIs and 21 stolen bases. Robert proved to be our most versatile player, showing his skills at first base most often, but usually finding himself at short, second base, center field, and handling some of the catching and pitching chores. John Jawor was solid at third base and fearsome at the plate. In a critical playoff game, while being intentionally walked, John "reached out and touched someone", for a two run double. James Machado anchored the team behind the plate while Brian Mello scooped dirt around second base. The team's Most Improved Player award went to Chris Peck, with a batting average of .372 and consistent pitching, including a heroic save in the last game of the year. This year's Rookie of the Year was

Kenny Rea. After only 2 games Kenny won the starting job in left field. With his acrobatic catches and .333 batting average we expect big things next year. Andrew Mortensen and Peter Normand were consistent at both first base and the outfield. Chris Cambra developed into an exeptional infielder and base runner. Tim DeMoranville and Josh Hedges were steady outfielders, both developing as hitters in the second half of the season. The Rochester Senior League Team plays in the Inter-Town League, consisting of teams from Lakeville, Assonet, Berkley, and Freetown. The team was managed by Woody Hartley, assisted by Mike Martin and Peter Frenette.

Letters to the Editor

Mattapoisett needs a paid, part-time director of its programs for the elderly if it is to get its full share of available benefits. The salary will be more than repaid by getting professional understanding and administration. Just to give you an idea of how complicated this whole subject is, let me list a few of the programs which apply to your readers: Social Security, Medicare, Medicaid, Homestead Protection Act, MGL Chapter 194, Congregate Housing MGL Chapter 226, Massachusetts Advocacy Program, Massachusetts Peer Review Organization (PRO), Medicare Catastrophic Protection Act, Mobility Assistance Program 16(b)(2), CIRCA, SHINE, Home Care Provider Service (FIL level 1-3), VITA Tax Assistance, Title III funds, Surplus Commodity Program, Fuel Assistance Program, Nutrition Services, Food Stamps, Elder Protective Services MGL Chapter 604, Day Care Programs (Alzheimers, Social, Respite) - to name a few of the more important.

I think it should be clear that understanding the "ins and outs" of these programs is not a job for amateurs. Without a professional Mattapoisett may not be getting all it deserves. We urge everyone on September 27th to get out and vote in favor of a part-time director for the Mattapoisett Council on Aging. Let me emphasize again that none of the present volunteers is qualified for the job and none will receive any of the money.

LETTER TO THE EDITOR

When the legislature passed legislation giving a developer who included "affordable" housing units in their housing development the right to by-pass local zoning, they should have funded an adequate program for town planners, so towns could have a chance of managing an onslaught.

With the present water system supply now available, how much water can be used before water pressure would drop to an unacceptable level? Could a developer force the town to try and bring in another well; any way to tell if the water

Where state money is inadequate for proper funding for a planner, perhaps they might have had groups of some small towns under one or two working planners, to make the fund go further and not make it possible for some small towns to wallow in the very possible situation of being messed and chewed up before a planner ever shows up.

Workshop: Boards of Health

YOU & THE LAW: YOU ARE THE LAW

The U.S. Environmental Protection Agency's Buzzards Bay Project is sponsoring a workshop on September 24th entitled Board of Health: You and the Law; You are the Law. The workshop will cover enforcement and implementation of existing laws and regulations by local Boards of Health. The substantial powers of Boards of Health will be reviewed with a special focus on general and statutory powers given by Massachusetts General Law (MGL), the Legislature and enabling legislation. Also to be discussed is how Boards of Health could and should interpret laws and regulations. Thomas Fantozzi, Coastal Zone Management's Buzzards Bay Technical Assistant Specialist and past Bourne Health Agent, will lead the workshop.

Who should attend this workshop? Certainly interested citizens are invited but local officials, in particular Boards

of Health members or agents, should make a point of attending. If private citizens are unable to attend, they should make sure someone from their local Board of Health will be there.

Another topic to be discussed is how state and local agencies interact on health issues. A case study of Board of Health actions will be presented by Ted Pratt, Marion Board of Health.

The workshop is co-sponsored by the Lloyd Center for Environmental Studies and Massachusetts Coastal Zone Management.

This full day workshop will begin at 9:00 a.m. and end at 4:00 p.m. on September 24th, at Tabor Academy in Marion. There is a charge of $10. to cover lunch. For more information or to register call Barbara Sego at the Lloyd Center, 990-0505.

D.A.R. Constitution Week

The New Bedford Chapter Daughters of the American Revolution and the National Society DAR wish to remind you that Constitution Week is celebrated September 17-23. American colonists fought and died to establish and preserve the freedoms now guaranteed to us by the Constitution of the United States. Our Founding Fathers were careful to give us a Republic in which a written Constitution established laws to protect the rights of all citizens.

Stop Smoking Clinic

On Tuesday, September 13th, a FREE introductory session to the "Stop Smoking Clinic" will be offered at the Wareham Town Hall, starting at 7:30 p.m. Tobey Hospital is sponsoring the program which is available on an on-going basis. This first free no obligation session will offer an informative one-hour overview of the program.

The "STOP SMOKING CLINIC" is a non-profit community service which helps people succeed in quitting smoking permanently. This program is offered and endorsed by over thirty-five hospitals in New England.

Unique in many ways, it has a proven success rate which is DOUBLE that of other programs. One feature of the program offers a "HELPLINE" to each participant and graduate, providing constant support for their new smoke-free life. Once enrolled, participants in the month-long program will meet twice weekly at the hospital.

ANIMAL RESCUE LEAGUE OF NEW BEDFORD PROGRAM TO MATCH SENIORS WITH PETS

The Animal Rescue League of New Bedford has announced its summer participation in the Purina Pets for People Program, a national campaign that matches senior citizens with homeless shelter pets.

The Pets for People Program, sponsored by the Ralston Purina Co., enables seniors to adopt a dog or cat from their local shelter completely free of charge. The program covers adoption costs, initial veterinary care, including inoculations, spaying or neutering, and provides the senior with a starter kit that includes a leash, collar, food and water bowls.

The Animal Rescue League will provide these services to qualifying senior citizens adopting a dog or cat through September 30th. About 15,000 Pets fór Peóple adoptions have been made across the country since the program began last year.

More than 100 shelters or humane societies in 90 cities nationwide participate full-time in the program.

The special Pets for People will bring the program to more seniors during the summer months when pet overpopulation is traditionally at its highest.

Studies show that pets can provide health benefits to senior citizens. In addition to companionship, a dog or cat provides a sense of security and protection as well as a source of entertainment and unqualified affection.

"This program is designed to help senior citizens find love and companionship through a pet," said Vivian Gela, administrator of the shelter. "We are happy to be a part of such an effort to improve the lives of the greater New Bedford area senior citizens, and also find homes for shelter pets."

For more information contact The Animal Rescue League of New Bedford, 126 MacArthur Boulevard, New Bedford, MA.; telephone 999-2349.

The law also provides that no owner or manager of a federally-assisted rental housing project for the elderly, handicapped and disabled, may discriminate against applicants or prohibit tenants from having common household pets in the tenants' units.

April 29th, to benefit the Theatre.

The final program of the 1988-89 season will be Island Night 5 on Saturday, May 13th. Entertainers will be announced at a later date for this annual fun-fundraiser for the Zeiterion.

In addition to the above events, Fairhaven Savings Bank and the Zeiterion will present the Saturday Youth Theatre Festival, a series of five children's theatre programs. This year's festival includes: Beauty and the Beast on October 29th, The Snow Queen on November 19th, Come Back, Amelia Bedelia and Other Stories on January 28th, Dinosaur Days with Slim Goodbody on March 4th, and Stromberg & Cooper on April 29th, all presented by nationally-recognized professional theater companies.

Tickets are now on sale for all events. Patrons may also take advantage of a number of special discount packages offered by the Theatre with savings up to 25%. To receive a copy of the Theatre's 1988-89 Season Brochure outlining the various options available, write or stop in at the Zeiterion Theatre, 684 Purchase Street, P.O. Box J-4084, New Bedford, MA. 02741, or call the Box Office at (508) 994-2900. Tickets are also available at all Ticketmaster locations. SMU Art Gallery

"ACTS OF FAITH"

"Acts of Faith: Politics and the Spirit", a group show by ten artists, will open the SMU Art Gallery season September 19 - October 21. "The Garden Series: Photographs by Willard Traub" will be exhibited in the atrium.

The gallery and atrium are located in the College of Visual and Performing Arts, adjacent to parking lots 8/9. They are open from 10 to 4 Monday-Friday and admission is free.

"Acts of Faith" comprises drawing, photo montage, sculpture, painting, photographs and mixed media by Julie Ault, Jimmie Durham, Kay Miller, Lynn Randolph, Pedro Romero, Alison Saar, Juan Sanchez, Andres Sarrano, and Martin Wong, and an installation by Houston Conwill.

Lucy R. Lippard, the critic who organized the show for the Cleveland State University Art Gallery, has written that "the political and the spiritual, like art itself, are fundamentally moving forces, acts of faith. If we are ineffective in these areas, we are not moved; we stand still, and the status quo is our reward. The artists in this show

Tobey Cardiac Support Group

"Cardiac Connections", a new educational and support group at Tobey Hospital, helps heart patients and their families cope with heart disease.

"Heart patients, as well as their families and friends, need to be able to understand what has happened after the crisis over," explains Ann Marklin, R.N. , Cardiac Rehab Nurse at Tobey. "Sharing experiences and information is often a helpful part of the recovery process."

Patients who have heart disease, have had a heart attack, or have had heart surgery will benefit from the support group, along with their family members and friends.

Members of Tobey's Cardiac Rehabilitation Team will offer participants information on a variety of related topics. They include:

hawks and other migrating birds. Novices as well as experienced bird watchers are welcome. The event is part of Bird-A-Thon weekend, an annual event during which MBO monitors fall migration and raises funds to support its environmental research and education programs. Although the walk is free of charge, walkers may enjoy the challenge of pledging a certain amount for each species they see during the walk to help support the Observatory's on-going scientific programs. Please meet at the entrance to Demarest Lloyd State Park on Barney's Joy Road, South Dartmouth at 7:30 p.m. For registration or directions please call 224-6521 or write to MBO, Box 936, Manomet, MA. 02345.

Bird-A-Thon walks are also being offered in four other areas: Cape Cod National Seashore in Eastham, Great Meadows Wildlife Refuge in Concord, Little River/Alewife Reservation in Cambridge, and The Glades and Third Cliff in Scituate.

Manomet Bird Observatory is a non-profit research and education center dedicated to long-term environmental studies. Many MBO studies focus on birds and migration. Other major studies focus on marine mammals, salt marshes, gypsy moths, tropical forests, and the impact of technology on habitats and wildlife. The information

obtained through these long-term studies is urgently needed in the struggle to protect our natural world.

The importance of MBO's work was underscored by a recent National Audubon TV Special, "Message from the Birds". It showed that destruction of wetlands and water quality is having a devastating impact on shorebirds, and is creating potentially lethal problems for people as well as wildlife. MBO has taken a leadership role in the recently formed Western Hemisphere Shorebird Reserve Network (WHSRN), which is working to establish a protected chain of critical wetland sites along migratory routes of shorebirds. Without such protection, we may expect serious loss of these populations, and, perhaps, extinction of some species.

MBO also provides an intensive introduction to field research for college and graduate students through its credit-granting Field Biology Training Program. MBO's educational programs reach over 15,000 children, adults and teachers each year.

For information on programs and membership call 224-6521 or write to Manomet Bird Observatory, Box 936, Manomet, MA. 02345. Contact Vanessa Hewitt or Josette Carter.

FALL STARS

On Sunday, September 11th, at 8:30 p.m. the Lloyd Center for Environmental Studies will offer a free program to the public on Fall Star Watching led by Ethan Guiles of the education staff at the Lloyd Center.

Participants of this program will be looking at early fall constellations and will hear about associated star lore. Pre-registration is required. To register and for more information on the Lloyd Center please call 990-0505.

The Lloyd Center offers weekly interpretive walks each Sunday of the year. The topic of the first Sunday of each month is a bird walk. Upcoming weekly walks include Beach Ecology on September 18th, and Flotsam and Jetsam, a seaside litter hike on September 25th.

The Lloyd Center is located on the Slocum River estuary in South Dartmouth. The Lloyd Center's main building with exhibits, aquaria, resource library and offices is open to the public Tuesday through Sunday from 9 a.m. to 5 p.m The grounds are open dawn to dusk, 365 days per year.

To reach the Lloyd Center take the North Dartmouth exit (exit 12-south) off Interstate 195. Cross Route 6 and continue ¼ mile to a fork in the road. Bear left at the fork onto Chase Road. At the end of Chase Road turn right onto Russells Mills Road. Go 9/10 of a mile to Potomska Road, turn right. The entrance to the Lloyd center is 1.7 miles down on the right.

ARCHAEOLOGICAL DIG

Try something new and exciting..... join an archaeological dig!

This field workshop, instructed by Dr. Jordan E. Kerber, Public Education Coordinator of the Public Archaeology Laboratory, Inc., will determine the bounds and age of a pre-historic site located on the Lloyd Center property.

Field sessions are scheduled from 9:30 a.m. to 4:00 p.m. on Saturdays between these dates. Cost for this field investigation is $250. for Lloyd Center members or $300. for non-members. Membership taken out at the time of enrollment will entitle the participant to the member's rate.

The workshop is open to the general public and no previous archaeological experience is needed. For additional information or to register contact Diane Duprey at the Lloyd Center, 990-0505.

Longest Day of Golf

Walk 18 holes at the average golf course and you will have walked over a mile, up and down hills, carrying a 50 pound bag, and swinging a metal stick every few hundred yards or so at a small white ball. The average player takes about 4 hours to complete a round of golf.

On September 20th several local residents will rise before the sun and make their way to their favorite golf course to begin a 'round' that will not be over until the sun sets. Getting up in the dark to play a normal round of golf is generally enough to earn someone the

title 'golf nut'. Getting up that early so that you can play more than 18 holes earns you the title 'golf fanatic'. But getting up at that ungodly hour so that you can play until the sun sets, well that deserves something more.

The American Cancer Society has therefore decided to bestow the honorary title 'Links Loonie' on golfers who have agreed to play golf all day on September 20th in order to raise money for Cancer Research.

The golfers will be using golf carts so they won't need someone to carry their bags, but they'll still need caddies - pledge caddies, whose job it will be to ease their financial burden. You see, these 'links loonies' will be depending on you to raise money for the American Cancer Society by pledging at least 25 cents for every hole they complete. If they complete 50 holes that day, you would contribute $12.50. Or, if you like, you can pre-set the total amount you'd like to contribute - $10. or more would be nice. If you'd like to be a pledge caddie or would like more information call your favorite golf course or the Greater New Bedford Unit of the American Cancer Society at 996-6262.
